A collection of incredible drum, bass, and synth presets and sounds, beautifully tuned and crafted for every genre imaginable. If your looking for a world of new sounds and inspiration to fuel your own creativity, this collection has your name written all over it. Whether you need some new fresh inspiration for your next hit drum, bass, or electro production, or for your next cinematic synth production, Darren Porter Spire Essentials are sure to be right up your alley. Whether you're a producer looking to expand your drum, bass, and synth toolkit, or an artist looking for some new inspiration, this is a must-have. With over 10 hours of content, there is something here for everyone. I've included plenty of drum sounds, synth sounds, synth bass sounds, synth leads, synth and FX, and more. If you can't wait for the Sample Pack to download, you can also buy this collection by clicking below. Please Note: This sample pack is also available in the Drum and Bass category of the store. Essentials The Spire Essentials

Collection is inspired by Darren Porter's trance production techniques and the beautiful sounding presets he's been crafting over the years. This pack contains everything you need to create great sounding drum, bass, and synth presets in the genres of trance, dubstep, electro, progressive, and more. What's Included: 10 Kontakt.nki instruments featuring 49 drum sounds, 44 bass sounds, 22 synth sounds, 15 synths, and 2 synth bass sounds, as well as over 10 FX, Drum, and Bass sections. VST/AU/AAX (3.x & 64 Bit) and WAV (24 Bit) formats. Audio Demo: Click below to listen to a preview of the instrument sounds. Please Note: The Kontakt 'Drum and Bass Essentials' pack contains the following tracks: Drum Kit: • Lickable - 1:27 • Into the Light - 4:30 • Bruckbeat - 2:17 • Dead End - 2:03 • Wholesome - 0:38 • Loaded - 2:19 • Addictive - 2:24 • Theme - 1:31 • Progress - 2:28 • Buzz - 2:09 82157476af
