

[P3D P3Dv4] ORBX FTX Global 1.41 Update Cheats

The screenshot shows the Orbx FTX Central v3.2.1.1 interface. On the left is a dark sidebar with the Orbx logo and user information for Wojciech Przybylski. The main area features a large image of an airplane on a runway with the text 'LIDA Asiago Airport'. Below the image, a status message indicates the product is installed and up-to-date. A 'Product Tools' section offers options to configure, learn about, or remove the product, with corresponding buttons for 'Control Panel', 'User Guide', and 'Uninstall'. A 'Settings' button is located at the bottom left of the sidebar.
